Welcome to our 2019 Gift Guide brimming with unique holiday gift ideas

Happy holidays to The Henry Ford’s extended family of members, friends and supporters. It is our hope that you and yours will enjoy a truly memorable holiday season and that you’ll allow us to be part of those memories by selecting gifts for those who matter most to you from our 2019 Holiday Gift Guide.

On the pages that follow, you’ll discover an array of gift suggestions that represent some of the core qualities we celebrate at The Henry Ford, including creativity, innovation and excellence in design. Just as the artifacts in our collection inspire our 1.8 million visitors annually, we trust that you will find inspiring gift suggestions for family and friends in this year’s Holiday Gift Guide.

Your purchases through the guide also provide an important stream of support for The Henry Ford which helps us to inspire the next generation of inventors, innovators and entrepreneurs. On behalf of everyone at The Henry Ford, thank you for your support.

Our glass artisans in the Greenfield Village Glass Shop bring the art of making to life. Working in collaboration, the team developed our new Diamond Quilt Pattern Collection — this year’s President’s Pick. Five vibrant colors with a textured pattern provide a unique contemporary style that can brighten up any home. [photo credit: Emily Berger-Crawford]

Go Bold

Whether you say retro or midcentury modern, color is indicative of the era. From reds and blues to bright oranges and greens, the boldness reflects your design style.

2018 Winners
Invention Convention U.S. Nationals
Henry Ford Museum of American Innovation

Congratulations, Neil and Joey!
Fizzez Labs cofounders Neil and Joey Hudicka were sharing their entrepreneurial ideas with their friends when they noticed that most of them did not understand the concept of business and innovation. This led them to create Outta This World, a game that sparks innovative ideas while showing how to make money from them.

Congratulations, Marci and Ethan!
3Dux Design cofounders and entrepreneurs Marci and Ethan Klein are a sister-and-brother team committed to promoting STEAM education by offering an engaging product that blends science, technology, engineering, arts and creativity. By incorporating sustainable and repurposed materials into their product, they give today’s youth the tools to make a better tomorrow.

NEW! 3Dux Design Iconic Home Architecture Set
Fun and engaging Kit includes 42 cardboard pieces, 37 connectors and 4 crayons necessary to create the proposed architectural design, along with extra components to let your imagination take over. Make a midcentury modern ranch, an urban row house, a plane, a car or anything else you can imagine. Made in the USA.
